Dear Professor Gospodarowicz,

We are very excited about the decision of your Senate to award the degree of Doctor Honoris Causa to Professor Lucjan Orłowski. He certainly is deserving of the award.

We feel very lucky here at Sacred Heart to have Lucjan as a member of our faculty. He willingly shares his vast knowledge, experiences, contacts, publications and much more with our students and the entire Sacred Heart community. I am sure it will come as no surprise that he has also received several awards from Sacred Heart, including our Teaching Excellence and Faculty Research awards.

I know Lucjan is also appreciative of the honor and is looking forward to coming to Wroclaw to receive the degree.

Sincerely,

John J. Petillo, Ph.D.
